

Pumpkin King of Halloween: Twirly Whirly World, book 2: Twirly Whirly World, book 2: Pumpkin King of Halloween (Volume 2)

The Pumpkin King of Halloween is the second book in a series called Twirly Whirly World. The setting for this series is a lovable area named Topsy Turvy Town, where all the inhabitants live, play, work, talk and raise their families together in peace and happiness. The only difference is that they are a combination of animals, big and small, young and old, even tall and short. True to form, their older kids love to scare the younger ones. What is a better time to do so, than the eve of Halloween. Preston, Ferdie and Randy seize the chance to tell a tale, scary and full of fright to all the younger kids, they shiver and scream in great delight, with goose bumps raising happily on their necks and arms. The older boys lead them in a series of scary twists and turns, while Sylvie and Helga follow like mother hens watching over their little chicks. Stay close to all of them, waiting for the end. It is unexpected; it will shiver your timbers and tickle your funny bone, truly a trio of delights rolled up into one great, ?Halloween Night!
