

Active Vocabulary: General and Academic Words (2nd Edition)

Active Vocabulary is a vocabulary worktext that is visually appealing to readers, uses words in context, and provides a variety of activities including self-tests, writing assignments, collaborative projects, and games. Includes a number of exercises to stimulate different learning styles as well as to encourage cross-referencing of the words through different contexts. Self tests and games in each chapter round out the exposure for each vocabulary word. Four chapters on word parts are included, as well as three review chapters. Those interested in improving basic vocabulary.
