

The Definitive HCG Diet Guidebook: Everything You Need to Know to Lose Weight Quickly, Safely, and Permanently Using The HCG Diet

Do you have enough weight loss books to start your own health section in the library? Has it been months since you've looked down and been able to see your feet? Have you researched so many different weight loss methods that you feel like your brain has gained weight? If you've struggled with your weight, you've likely tried every diet that comes along only to be disappointed with the results. If other diets have left you lost in the Weight Loss Woods, this Guidebook is your North Star. Developed by Dr. A.T.W. Simeons in the 1950s, the HCG Diet has stood the test of time, delivering to hundreds of thousands of people amazing results that stick. Whatever method of HCG you choose (e.g., pharmaceutical hCG injections, sublingual drops, homeotherapeutic HCG, etc.), this book is the only resource you'll ever need to achieve your weight loss goal. With step-by-step instructions, helpful charts, trouble-shooting tips, recipes, and testimonials from some of the thousands of people Daniel Millen has helped lose weight using the HCG Diet, Millen's easy-to-read, entertaining, and informative book will enable you to achieve--and keep--the body you've always wanted.
