

The Dominion Sequencing antimatter and gravity effect: Big Bang to black hole; and implications for a manmade near-future doomsday: End-of-all-life on Earth

Science fiction or science fact? A question that will need to be worked out by the reader and the world scientific community. Although this work is cross-referenced by the most up-to-date scientific journal articles, it has all the trappings of a great science fiction story: divine revelation, doomsday, and scientists blinded by ego
