How about you combine the two? Do you want to stretch your creativity and surprise your family and friends? Try our Chocolate Dump Cake recipe book and you will be rated 5 stars plus. Our cakes combine the loved taste of chocolate with the simplicity of baking a dump cake. What makes baking a dump cake so easy? It is because it is not exactly a cake, but a cobbler. This word indicates a variety of dishes, mainly cooked in the US and UK. It usually implies a crust or a batter cover here you'll find the main difference between a cobbler and a dump cake. A dump cake is simpler to make, as you just dump the cake mix over fruit or a filling of your choice. You don't need to be a master chef to do this, plus it can be prepared in no time. It is a very easy to make this dessert and it's usually made using a fruit combination, cherries being one of the most preferred. Canned fruit are usually used, and one important step in making your dump cake is to drain juice from the fruit. You won't find any desserts recipes much easier to make than the dump cake. You don't need to make any special filling or creams, you don't have to wait near the refrigerator for your ingredients to cool or to get firm all you have to do is to think of your favorite ingredients and the cake is almost ready. Dump cakes are perfect for beginner bakers. It is so easy that you can get your children into the kitchen and share in the fun of preparing these tasty cakes. It's up to you how you combine tastes and colors this kind of recipe gives you freedom to experiment. Taste our chocolate dump cakes and you will fall in
