

God owns my business (A Word paperback)

They said it couldn't be done, but formally and legally, business owner Stanley Tam made God the owner of his business. To say that his business has met with success thanks to this decision would be a significant understatement - Stanley Tam's businesses are large and profitable, giving well over a million dollars annually. But this is more than a book about a successful businessman. It is the chronicle of how an average man can, with God's guidance and a willing heart, succeed in any endeavor.
