

# The Insult Dictionary: History's Best Slights, Street Talk, and Slang

This fun reference book contains insults ranging from Roman times and Shakespearean snipes to salty pirate-speak and Wild West zingers. You're sure to find an insult for everyone, be they a helminth or a swinge-buckler. Do you long for the days when a jerk was a cad? Want to tell that swillbelly to clean up his table manners and that grumbling glump to stop whining? Would you like a way of saying simpleton that's not quite so simpleninkyhammer, perhaps? All this nastiness and more can be found in the pages of this fun reference book. With insults ranging from Roman times (lutum lenonium = filthy pimp) and Shakespearean snipes (Im talking to you, you knotty-pated fool) to salty pirate-speak and Wild West zingers, you're sure to find an insult for everyone, be they a helminth (a parasite in Ancient Greece) or a swinge-buckler (an Elizabethan braggart). Chapters are organized chronologically by historical period: Ancient Attacks, Medieval Madness, Edgy Elizabethans, Victorian Venom, Jazz Age Jibes, and Cold War Cuts. It also includes themed sidebars focusing on Pirate Put-Downs, Hobo Huffs, and Cowboy Curses, as well as samplers for words with many different sayings per period. Fun, a little bit lewd, and incredibly informative, this is a must-read for humor fans, history buffs, armchair etymologists, and the most sneaping of breedbates.

MSGS analysis Professional news analysis Search the site Menu Home Trending Our Articles About Us Contact Us Be Environmentally Friendly With These Green Energy Tips Something that several people don't realize about green energy is that it saves money on electricity for your home! While there are numerous benefits for the environment, going green is expanding your knowledge of landscaping to improve your home. For some people, the thought of a well-manicured lawn and beautiful landscaping, is only a reality for large mansions and wealthy home owners. There are a lot of things to solve your acid reflux puzzle thanks to these tips. Everyone knows that a person with acid reflux suffers from discomfort and pain each day. You really can control the acid as long as you learn what steps to take. Business & Economics books? the correct choice to achieve success in the sphere of business. Economics deals with the analysis of human behaviour on choice and the line of attack applied to make related investment and decisions on production? particularly how those decisions are made.
