

Remembering Tomorrow: From SDS to Life After Capitalism: A Memoir

In this lucid political memoir, veteran anti-capitalist activist Michael Albert offers an ardent defense of the project to transform global inequality. Albert, a uniquely visionary figure, recounts a life of uncompromising commitment to creating change one step at a time. Whether chronicling the battles against the Vietnam War, those waged on Boston campuses, or the challenges of creating living, breathing alternative social models, Albert brings a keen and unwavering sense of justice to his work, pointing the way forward for the next generation.
