Fed up with the anyplace / anytime use of cell phones? You're not alone! Railing against the careless, distracting, discourteous and just plain annoying over-use of cellphones, fictitious characters Letticia Cellbridge (world's foremost expert on manners) and Sgt. Sam Hammer (hard nose lifer motorcycle cop) have combined their unique talents and perspectives to produce this hilarious work which may just turn the tide in the battle to recapture some of the civility, courtesy and safety lost as a result of the runaway and oftentimes brainless use of cell phones. Utilizing gut splitting humor and cut to the point directness, Ms. Cellbridges and Sgt. Hammers 2-in-1 book is the perfect gift for all cell phone fanatics!
