

Lost in the 90s

AS LONG AS I LIVE, I WILL NEVER FORGET THE NIGHT OF 4.7.12 KURT loves the 1990s! Thanks to his parents who graduated Hazel Park High the exact same year he was born 1994 hes a walking encyclopedia of 90s nostalgia from American Pie to Zima. DAVE dreams of becoming the next Kurt Cobain. But first, he has to get himself out of Hazeltucky and away from the pretty cheerleader hes had his eye on since freshman year at Hillbilly High. MICHELLEs got it all: beauty, brains, a popular boyfriend. The Homecoming Queen of HPHS is going places after graduation. The last thing she needs in her life is a wannabe grunge rocker or a baby. EVERYBODY DANCE NOW! At his schools Lost in the 90s dance, a wild stage-dive into the mosh pit leaves Kurt facedown on the floor, unconscious. When he wakes, he meets up with Michelle. But the boy doesnt recognize the girl as being one of his classmatesand vice-versa. After Kurt runs into Dave at the local diner, he senses something is definitely NOT right in the state of Michigan. Is it the old-fashioned TV set showing Mad About You reruns during primetime? Or the fact that, suddenly, theres a smoking section over in the corner? Or maybe the date on this weeks Metro Times is what finally tips him off: APRIL 6-12 1994! Soon, it becomes apparent Kurt has traveled back in time. Bill Clinton is President of the United States, Ace of Base holds the #1 song in America, and somewhere in the Friendly City of Hazel Park, Kurts parents are both 18-year-old high school seniors. But where could they possibly beand what will happen if Kurt bumps into them?
