

Prophecy in 16 Steps

This book is an asset to anyone who wants to gain practical insight into life from the perspective of numerology. The road map is easy to apply and gives an overall understanding of the meanings of the important numbers, such as the date of birth and name number. These results provide insight into the energies that influence life and can immediately be used to make changes in life. Jeannette Stuart had a high degree of sensitivity for that which could not be seen from a young age. She sought insights into the function and meaning of unseen energies that are all around us. She continues to develop and hone her abilities. Since 1999, she has been working in the alternative field.
