

From Vision to Decision: A Self-Coaching Guide to Starting a New Business

Do you fantasize about quitting your job? Do you feel that you are called to be an entrepreneur but hesitate to begin because you don't know where to start? If so, you have come to the right place. This book is a guide to help you think your way through the start-up maze in order to build a business that will embody your dreams for a rich life full of meaning and joy. The self-coaching exercises contained in this book and in the supplemental workbook and online materials are designed to move you from being a business visionary to being a strategizing and action oriented entrepreneur. The focus in this guide to building a profitable business is on your lifestyle defining it, creating it, and ultimately sustaining it with the profits from your business.
