

An Interpretation of the English Bible Volume II: EXODUS And LEVITICUS

This is an excellent set for the preacher who aspires to be true to the Word and who wishes to enrich his preaching ministry. It is an invaluable aid for the teacher who seeks to guide his class to a deeper knowledge and appreciation of Gods Revelation to us. It is an ideal set for any student of the Bible who desires to hear what God has to say to him. This is more than a commentary. It is rightly called an interpretation.
