

Celebrating the Seasons of Life: Samhain to Ostara

Unique among books about the Wiccan Sabbats, *Celebrating the Seasons of Life: Samhain to Ostara* takes a different approach to explaining the holidays by taking an in-depth look at half of the Wheel of the Year. Rather than dissecting each holiday, Ashleen's goal is to take a broader look at them, explaining how and why we celebrate each, along with how the celebration of one leads to the next. The first of two new titles from Ashleen offers a vision of the holidays we celebrate from October to March. This book covers each holiday by first giving us its history and original customs, then explaining its place in modern life. Stories are shared for each Sabbat to reconnect us with our lore and bring new meaning to current practice. Ashleen includes ideas for rituals that are ideal for practicing solitaires, covens, or Wiccan families, with special sections on what children of various ages are ready to learn about these holidays.

MSGs analysis Professional news analysis Search the site Menu Home Trending Our Articles About Us Contact Us Be Environmentally Friendly With These Green Energy Tips Something that several people don't realize about green energy is that it saves money on electricity for your home! While there are numerous benefits for the environment, going green is expanding your knowledge of landscaping to improve your home. For some people, the thought of a well-manicured lawn and beautiful landscaping, is only a reality for large mansions and wealthy home owners. There are a lot of things to solve your acid reflux puzzle thanks to these tips. Everyone knows that a person with acid reflux suffers from discomfort and pain each day. You really can control the acid as long as you learn what steps to take. Business & Economics books? the correct choice to achieve success in the sphere of business. Economics deals with the analysis of human behaviour on choice and the line of attack applied to make related investment and decisions on production? particularly how those decisions are made.
