

Biblical Principles On How to Make It Through a Financial Crisis: How to adjust your lifestyle and your focus during financially tough times

This book will provide you with Biblical wisdom and guidelines in how to adjust your lifestyle and your focus during a financial crisis, recession or depression. Dr. Abri Branckens aim is to share with you some Biblically-based alternatives to the everyday conventional financial thinking as well as some practical tips on what to do when going through a financial crisis. To follow Biblical principles pertaining to financial management, especially during a financial storm, can be challenging as it requires great courage to question and even go against the foundations upon which our modern day financial system is built.
