In this State Standards-aligned Literature Kit, we divide the novel by chapters or sections and feature reading comprehension and vocabulary questions. In every chapter, we include Before You Read and After You Read questions. The Before You Read activities prepare students for reading by setting a purpose for reading. They stimulate background knowledge and experience, and guide students to make connections between what they know and what they will learn. The After You Read activities check students comprehension and extend their learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students critical thinking and writing skills, and analysis of the text.

About the Novel: *The Hunger Games* is a story about a dystopian society and a young girl's sacrifice to keep her family safe. Told from the perspective of 16-year-old Katniss Everdeen, the story takes place in a post-apocalyptic nation called Panem. The nation consists of a rich Capitol and 12 surrounding poor districts. Every year, an event known as *The Hunger Games* is held. One boy and one girl from each district is selected by lottery to compete in the battle to the death, with only one person standing. The story begins in District 12, where the lottery chooses Primrose to compete. In an effort to protect her sister, Katniss volunteers, taking her place. The story then follows Katniss as she journeys to the Capitol and enters the *Hunger Games*. *The Hunger Games* is an emotional story of survival, selection, and overcoming obstacles. All of our content is aligned to your State Standards and are written to Blooms Taxonomy.
