

10,001: The Birth of the Avatars, the Battle of Armageddon, and the Future of Planet Earth

Esoteric tradition and modern prophecy tell us we are at a turning of ages. Many believe that the final battle of light and darkness will soon be upon us. Some know it as the Battle of Armageddon. But the war is here-now. Many times it is silent, unseen. The beasts and armies of Revelation are often visible only to those with inner sight-even though they are no less real than the armies of this world. And on the outcome of this physical/spiritual battle hangs the fate of worlds. 10,001 blows the cover on the forces of darkness. Their strategies are revealed. They have a plan. At last, what we read in the news each day makes sense. Find out what is really happening on planet Earth. Knowledge is power. Chart your course. Fulfill your mission.
