

Are You Ready to Believe?

David Holt is an ordinary guy with an extraordinary ability. Since early childhood he has been able to see, hear, and talk to those who have died and crossed over. He dispels the myths and misconceptions about the afterlife, and brings you the truth about what really happens when we die. Do suicides go to hell? Are my loved ones really OK? How can I tell when my loved ones in spirit are around? What actually happens when we die? Do my pets have an afterlife? If you have ever wondered what life is like on the Other Side, or if it was really possible to talk to people you have loved and lost, this is the book you need to read. Are you ready to believe?
