

Public Speaking: Strategies for Success, Books a la Carte Plus MySpeechLab (5th Edition)

For today's busy student, we've created a new line of highly portable books at affordable prices. Each title in the Books a la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook-ready, loose-leaf version allowing students to take only what they need to class. As an added bonus, each Books a la Carte Plus edition is accompanied by an access code to all of the resources found in one of our best-selling multimedia products. Best of all? Our Books a la Carte Plus titles cost less than a used textbook! Public Speaking: Strategies for Success proposes that at all stages of the public speaking process, people should learn how to develop and apply strategies to speaking situations they encounter throughout their lives. David Zarefsky, one of today's leading scholars in speech communication, encourages the reader to think through and about the public speaking process. Zarefsky urges the reader to consider the diversity of audiences, occasions, and speakers and to choose a specific purpose, a relevant topic, and the appropriate material to make their speeches successful.
