

# Ebay the Smart Way: Selling, Buying, and Profiting on the Webs #1 Auction Site, Third Edition

For the last three years, the leading authority on the worlds largest on-line auction has been eBay the Smart Way. In the fully revised Third Edition, author Joe Sinclair reveals new strategies for maximizing profits on merchandise ranging from collectibles to cars to real estate, offers sound plans for working with auction management services, and much more. EBay The Smart Way shows first-timers and casual eBay-ers the ropes while giving veterans and eBay business professionals advanced strategies for sustained success in this jam-packed marketplace. Unlike the official eBay books out there, this one tells it like it is, not just the way eBay sees it.
