

A Thumb Suckers Guide To Quip: Increase creativity, productivity, and collaboration without opening email

Learn Quip and become a master at efficient collaboration. A complete guide to navigating the most powerful new word processing application available today. Learn how to be more productive by using the power of Quip to collaborate without the endless influx of email. Does your email inbox always seem to be full? Do you wish there was some way to collaborate that didnt require another face-to-face meeting? Do you find that the great ideas that come up in meetings tend to stall the minute you leave the conference room? You dont have to be frustrated anymore. In this book youll discover the power behind Quip, and youll be given a complete guide to all that this exciting new application has to offer. People are tired of new software or apps that promise greater efficiency, only to find that the new application is just another storage bin of documents, files, and images that they have to manage. The people that created Quip understand that frustration and built Quip to be clean and simple to solve those issues. In this book youll learn the following: What is Quip and why should I use it? 3 powerful tips for getting the most out of the book The essentials of Quip (the interface, creating/managing documents, spreadsheets, and more) How to import documents from Evernote, Google Docs, and more The power of the Quip Inbox and the conversation threads The power of messaging and comments within documents How to utilize the hotkeys and the trusted @ symbol Introduction to Integrations (Twitter, IFTTT, Dropbox, and more) Quip Business vs. Quip Enterprise 11 Unique ways to use Quip in the modern world (Thumb-sucking while reading is optional.)
