

# Entre la Tierra y el Cielo (Spanish Edition)

En esta narracion, recogida por Andre Luiz entre la Tierra y el Cielo, se destacan los deberes relativos al respeto que nos cabe consagrar al cuerpo fisico y al culto incesante del servicio al bien, a fin de que extraigamos de la peregrinacion terrenal el mayor provecho, en funcion de la vida imperecedera. En cada capitulo nos encontraremos a nosotros mismos, con nuestros antiguos problemas de amor y de odio, de simpatia y hostilidad; a traves del estancamiento mental, en ciertas etapas del camino; en la penumbra de nuestros sueños imprecisos o en la oscuridad de las pasiones, que en determinadas ocasiones nos arrastran a profundos abismos. Ante los problemas o situaciones del camino que nos es dado recorrer, analicemos cuidadosamente nuestra eleccion, porque nuestro pensamiento volara, anticipandose a nosotros, y atraera y dara forma a la realizacion que nos proponemos concretar. Cualquiera sea el sector de la existencia, la vida nos responde segun lo hayamos solicitado, y nos convertiremos en sus deudores de acuerdo con lo que de ella hayamos recibido.
