

## Miraculous Journey

Since she had a brain hemorrhage in 2004, Anne Strieber, the wife of famed writer Whitley Strieber, has lived a life of miracles, and in this book Anne and Whitley share their stories of her near death experience, her miraculous recovery and the life of miracles that has followed. Now Anne faces an even greater challenge, a brain tumor. Excellent care and a holistic, joyous approach to the challenge has given her a real chance against what is usually a devastating disease. The Striebers, who have been happily married for 42 years, bring the wisdom and the love of their long marriage to their new challenge, and find that, in adversity like this, it is possible to find the true miracle of why we live our lives in the first place. Life is the miraculous journey, death at once an end and a joyous new beginning. For anyone facing serious illness, or just wondering how to cope when they enter this inevitable stage of life, Miraculous Journey offers wisdom and support, and for those dealing with strokes and brain tumors, it is full of treatment insights, valuable knowledge and comfort.
