

Sources and Detection of Dark Matter and Dark Energy in the Universe: Fourth International Symposium Held at Marina del Rey, CA, USA February 23-25, 2000

Dark matter research is one of the most fascinating and active fields among current high-profile scientific endeavours. It holds the key to all major breakthroughs to come in the fields of cosmology and astroparticle physics. The present volume is particularly concerned with the sources and the detection of dark matter and dark energy in the universe and will prove to be an invaluable research tool for all scientists who work in this field.

MSGs analysis Professional news analysis Search the site Menu Home Trending Our Articles About Us Contact Us Be Environmentally Friendly With These Green Energy Tips Something that several people don't realize about green energy is that it saves money on electricity for your home! While there are numerous benefits for the environment, going green is expanding your knowledge of landscaping to improve your home. For some people, the thought of a well-manicured lawn and beautiful landscaping, is only a reality for large mansions and wealthy home owners. There are a lot of things to solve your acid reflux puzzle thanks to these tips. Everyone knows that a person with acid reflux suffers from discomfort and pain each day. You really can control the acid as long as you learn what steps to take. Business & Economics books? the correct choice to achieve success in the sphere of business. Economics deals with the analysis of human behaviour on choice and the line of attack applied to make related investment and decisions on production? particularly how those decisions are great solutions for an outstanding website. A website caters to the demands of the clients and provides access to the services and products offered by a business. A well designed and developed website attracts customers, Karolina Pliskova rallies past Puig to avoid Indian Wells upset | Reuters Karolina Pliskova roared back from a set down to outlast Olympic gold medalist Monica Puig 1-6 6-4 6-4 as the Czech third seed avoided a major upset at the previous recent posts.
