

# The Fantastic Phonics Food Factory

The Fantastic Phonics Food Factory is a program to help students experience the sounds of the English language incorporating all the senses. Reading is the key to every child's future. The Fantastic Phonics Food Factory unlocks the door to learning. This exciting program is a significant event in the educational life of a child. It's fun, it's stimulating, it works! We look forward to a day when all children will succeed in learning to read in order to establish that firm foundation for a lifetime of educational success. Glenbridge announces the publication of this exciting new program designed to help children experience the sounds of the English language, sounds that include the incorporation of all the senses. Each character of the program is a food, the ultimate reinforcement to learning. The food characters each have a personality all his or her own. The children soon come to know and to love each sound. Most importantly, the program works.
