

Intimate Splendor

Samhara has traveled across the ages, reincarnation after reincarnation, following a fate which has brought her to a life of spirituality and peace in the present. One of the first Indigo Children in the planet, she had to walk a long road until the total comprehension of her purpose on Earth. Across the centuries she has been queen, slave, soldier and priestess and these are only some of her lives. Her karmic memories are vast, but above all else, she is defined by the role of universal Mother.
