

# Asian American Chronology: Chronologies of the American Mosaic

Key moments in Asian American history come alive in this concise and accessible chronology. 20 photographs bring events and people to vibrant life. Short entries are organized chronologically by date and then alphabetically by subject heading to make it easy for students to find what they need. Engaging sidebars, illustrations, and print and electronic sources enable further research. An extensive bibliography offers a wealth of print and electronic resources for further research, including government reports, census and immigration information, and websites specific to several Asian subgroups.
