

Formulas for Success: Through the Science of Numbers

The only Numerology Book you will ever need! Ancient formulas not available in any other Numerology Book available today! Make the most of the numbers in your life, your name, your address, and the day you make important appointments. Using your middle name or initial can change your vibrations for success or otherwise. Choosing the best address for where you live can impact your entire life. Are you aware that the most unlucky number is not 13? You will find out just what that number is and to avoid that day in making any appointments, purchases, surgeries, marriage, vacations or starting any venture. This information is not available in any other book, and that alone is worth its weight in gold! The easiest, most complete, comprehensive and cross referenced Numerology book available. A must have for those that want to optimize their life for success and for students and professional Numerologists. Herein contains every formula in the easiest and quickest format to learn what you need to optimize your life for success!
