

Golf Joke Book

Jokes are just part of the game when it comes to golf: duffers, mulligans, holes-in-one or out of bounds. Or they're about the relationships between men and women where golf is an issue: -- One day, a man came home and was greeted by his wife dressed in a very sheer nightie. Tie me up, she purred, and you can do anything you want. So he tied her up and went golfing. -- Did you hear the one about the wife who got hit in the head with a golf ball on the first hole and died? The husband was so distraught he only played the front nine. -- Q: What's the difference between a car and a golf ball? A: Tiger can drive a ball 400 yards. -- US PGA Commentator: One of the reasons Arnie (Arnold Palmer) is playing so well is that, before each tee shot, his wife takes out his balls and kisses them. Oh my god !! What have I just said? -- Ken Brown commentating on golfer Nick Faldo and his caddie Fanny Sunneson lining up shots at the Scottish Open: Some weeks Nick likes to use Fanny, other weeks he prefers to do it by himself.
