

Apprentice to Power: A Wiccan Odyssey to Spiritual Awakening

Sharing enchanting tales, meditations, rituals, and magical techniques, neo-pagan Timothy Roderick weaves a colorful introduction to Wicca, Old Europe's earth-centered mystical tradition. Roderick shows how to build a relationship with the divine in all things and access the power of spirit in everyday life. Each chapter begins with a personal account of shamanic magic, continues with an archetypal tale illustrating a theme (The Secret, Initiation, A Golden Reward), and concludes with exercises to guide readers in their own spiritual practice. *Apprentice to Power* offers an accessible path toward greater fulfillment, profound change, mystical insights, and even miracles. One of the most insightful and approachable books on the subject in years. - Patricia Monaghan, author of *The Goddess Path and Meditation*
