A funny, poetic, big-hearted reminder that life can and will take us all by surprise. Jennifer E. Smith, *The Statistical Probability of Love at First Sight* Can the best thing happen at the worst time? Her dad went crazy. Her mom left town. She has bills to pay and a little sister to look after. Now is not the time for level-headed seventeen-year-old Lucille to fall in love. But lovestruck, inconvenient love is what she's about to experience when she falls for Digby Jones, her best friend's brother. With blazing longing that builds to a fever pitch, Estelle Laure's soulful debut will keep readers hooked and hoping until the very last page.
