

Our Daily Bread

The Living Spring Collection contains four books by the spirit author Emmanuel, psychographed by the medium Francisco (Chico) Candido Xavier: The Way, the Truth and the Life; Our Daily Bread, Vine of Light and Living Spring. In these books, the spirit author comments on teachings from the New Testament in an original and attractive way, teaching us not only to understand the Christian Doctrine but to practice it every moment of our lives. They entail a veritable invitation to the worthy and dignifying labor inspired in the teachings of the Good News. Emmanuel, Chico Xaviers mentor, teaches and enchants, edifies and consoles by means of humble, enchanting, gentle and persuasive language full of spirituality and beauty. The Living Spring Collection is an invaluable source that will help explain the Gospel texts and it is an essential instrument for perfecting our sentiments by refining them with the lessons on humility and love taught and exemplified by Jesus. It teaches us to find peace in the evolutionary struggle, repose in our edifying labor, help in times of difficulty and the good in the so-called evils of life.
