

The Harder the Fall (Girl Meets Ghost)

Kendall has a crush and the ghost of his mother has something to say about it. The second book in a hilariously haunting tween series. Kendall Williams talks to dead people all the time. Like it or not, its kind of her thing the ghosts need her help resolving issues from when they were alive, and she's good at figuring out their problems. What she can't figure out, however, is why the ghost of her crush's mother is haunting her. It's hard enough to like a guy and hope to impress his parents, but when his mom keeps visiting from beyond the grave, making the right impression seems downright impossible! Can Kendall help with family matters without risking her relationship?
