

Doers: New Game-Changers

Doers, like knights in chess, are the driving force for innovation; those disruptive game-changers envied and feared by competitors. When provided with unrestricted opportunities they will deliver amazing results. The profitability of a competitive enterprise hinges upon its ability to harness the versatility of Doers. This book presents an exciting new line of thought that addresses the challenges facing Doers and those who employ them. Readers from the boardroom to the break room are provided with the ways and means to halt decline and restore prosperity.
