As the world races toward the Great Tribulation, immorality among the world's leaders, increased lawlessness, natural disasters, and anarchy many voices have flooded the blogosphere, YouTube and the social networks to interpret the times. Rev. Blair has risen above the unholy chorus to write a series of timeless articles from a biblical perspective to help Christians stand firm in their faith. This collection of short articles taken from his two popular websites give practical application, prophetic insight, and a clear voice to those in power. As prophet, social activist, and pastor, Daniel Blair writes each article with compassion and uncompromising biblical truth to prod every Christian to pick up the banner of truth and walk in holiness before the Lord. Use as a daily devotional or as a timeless resource during the coming distress. In this volume I have selected articles for the Christian Activists in his or her fight against corrupt politics, social injustice, and moral decline. I strongly believe that Christians should be both salt and light in a very dark and depraved world; therefore, it is essential to hold those in leadership accountable. Moreover, it is our Christian duty to be the constant voice for social justice, morality, and freedom to proclaim the gospel message in every corner of society.
