

1699 Belmont Street: A Portal to Hell

Imagine living with a small child and having an inhuman specter haunt you. Imagine having years of paranormal experience that you cannot explain or have the courage to speak of. Imagine having your family torn apart by paranormal activity and spirits that want you to be isolated so they can do as they please to you inside a portal to Hell. As seen on My Ghost Story, A&E Channel, and Biography Chanel, Author Kristin Lee invites you to enter the paranormal world of 1699 Belmont Street, a Portal to hell and relive a frightening story or horror, spiritual manipulation, witchcraft, love, hate, tragedy and separation. Kristin Lee opens her front doors to the public for the first time ever and walks you through every room of this haunted house, sharing each haunting she encountered while living inside the Portal to Hell. Paranormal investigation teams including Ohio Valley Paranormal Research Investigations, Kentucky Ghost Scouts, Lady Moon, conducted over one thousand hours of research, and collected data which clearly validates Kristins experiences. This is a chilling story that you cannot put down. Visuals and interviews on the documentary (DVD) are hard to believe but are openly provided through live and unedited footage. The Haunting Kristin Lee shares many seem very hard to believe but have you ever lived in a Portal to Hell?

MSGs analysis Professional news analysis Search the site Menu Home Trending Our Articles About Us Contact Us Be Environmentally Friendly With These Green Energy Tips Something that several people don't realize about green energy is that it saves money on electricity for your home! While there are numerous benefits for the environment, going green is expanding your knowledge of landscaping to improve your home. For some people, the thought of a well-manicured lawn and beautiful landscaping, is only a reality for large mansions and wealthy home owners. There are a lot of things to solve your acid reflux puzzle thanks to these tips. Everyone knows that a person with acid reflux suffers from discomfort and pain each day. You really can control the acid as long as you learn what steps to take. Business & Economics books? the correct choice to achieve success in the sphere of business. Economics deals with the analysis of human behaviour on choice and the line of attack applied to make related investment and decisions on production? particularly how those decisions are made.
