

How to Fish, a Treatise on Trout Trout-Fishers (Classic Reprint)

Highlands last August, then told me that Trout Fishing left a widespread want unsatisfied. In all parts of the country the travelling representative of his firm, Mr. Cannon, found that the book, though generously received when first published, in 1904, and still in demand, met the case of those only who already knew a good deal about the subject. There was he himself, Mr. Black, on his way to Loch Tay, to try for a trout: the book had not taught him all he needed to know! An exhaustive treatise was required; and it should be ready for issue in Spring. This was a shocking speech; but gradually, as I thought it over, wrath dissolved before a perception that it was not unreasonable. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
