

How to Succeed at Carp Fishing

Highly detailed and technical book describing how to find and catch carp in all seasons and under all conditions. Carp are the bonefish of the freshwater world. Describes monthly foods available , techniques and locations where carp go to find food sources at any time of the year. Organized as a monthly fishing guide and reveals secrets to catch any type of fish de-bunking common cultural fishing myths and inaccurate beliefs. Version 2.0 adds lure type, color preference and seasonal depth charts used to dispel common cultural carp fishing myths with evidence. Those who possess a copy of version 1.0 have a rare limited edition copy the author is willing to sign, stamp and date at a future book signing event.
