

Metrics You Can Manage For Success

How to choose actionable and predictive metrics as leading indicators of your overall objectives. Setup key performance indicators, measurement dashboards, balanced scorecards, and management tools for follow-through and accountability. Track hard-to-quantify goals. Monitor root causes of symptom-level problems or opportunities, and manage corresponding levers of skills, resources, stakeholders and culture. Applies to any use of metrics, whether for business, government, education, non-profit, entrepreneurship or personal goals. Learn how to monitor the actionable metrics that are predictive of big-picture goals. Improve your ability to predict outcomes, course-correct mid-stream, motivate desired behaviors, and earn needed resources and clout.
