

Ancient Feet

Meet the Old Spice Boys - Dosh, Whinger, Shorty, Scaredy and Windy - five men who are, perhaps, approaching their sell-by date, determined to prove that age is all in the mind. Together, they set off to walk from one coast of England to the other. Will their Ancient Feet carry them there? Will a diet of pies and pasties prove to be the right preparation for the physical challenge of walking over 190 miles? Will their friendship survive twelve days in each others company? Why is one of them carrying three enormous onions? Following Alfred Wainwrights route across the north of England, their hilarious adventures unfold and one of them begins to believe he has much in common with his hero, particularly when he discovers that Mr Wainwright had an unusual, and unpublicised, encounter with a buzzard.
