

A Dictionary of Names Nicknames and Surnames of Persons Places and Things (Classic Reprint)

Excerpt from A Dictionary of Names Nicknames and Surnames of Persons Places and Things The compilation of the present volume has been undertaken with the view of supplementing, and, to a certain extent, providing a key to the ordinary dictionaries of biography, geography, mythology, etc. A person or place is often alluded to by means of a surname or nickname without any clue being given to the reader, who does not happen to be aware of the actual name of the person or place, and in such cases it is hoped that the necessary information will be found in these pages. Sometimes, too, some particulars are required concerning celebrated ships, race-horses, etc., and a selection of the best known of these has been also included. Owing to the numerous headings, considerations of space prevent more than the briefest particulars being given, but these are perhaps usually sufficient, or at all events give the necessary clue to enable fuller details to be obtained elsewhere. Such additions to names as the Elder, the Younger, etc., which usually form, as it were, part of the actual surname, have not been noticed here. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
