

Grandmas Favorite Cake Recipes (Grandmas Favorite Recipes Book 2)

Was there anything more treasured than grandmas cake recipes? As a child I remember vividly the anticipation of sinking my teeth into one of grandmas famous cakes the ones that everyone at the church bake sale lusted after as the ultimate prize. In this second in my Grandmas Favorite Recipes series, Ive assembled the most beloved best cake recipes from 3 generations of grandmothers who considered each cake recipe a state secret shared grudgingly only within the family, and only then with a swearing to solemn confidentiality that evoked a chilling fear of banishment should any cake recipe be shared. But its a different world now. And Ive decided to share these recipes with families who can enjoy them as much as our family has. Most are easy cake recipes that anyone can master with simple directions no fancy flair or fluff just an easy-to-follow guide to pure nostalgic pleasure. The Table of Contents for this book will stimulate a mouth-watering sensation that may be a bit forbidden in todays world, but pleasure cannot be entirely banished when it tastes this good. Youll find 50 cherished cake recipes from old-fashioned traditional chocolate cake, white cake, yellow cake, banana cake, carrot cake and strawberry cake recipes to more exotic and unique cake recipes like whisky cake, streusel spice cake, better-than-sex cake 50 scrumptious treasures your family will cherish for years to come.
