

Womans Survival Guide: 8 Things You Must Know to be Ready for Any Disaster (Survival Guide books, survival guide for beginners, survival guide for the modern world)

Typically underrated during times of disasters, women are the backbone of communities and families. Throughout history and in many cultures, women are looked at to perform passive roles. It is now known that women are more than just nurturers and providers during disastersthey stand alongside their male counterparts or even, at times alone, actively being the glue to keep their families and loved ones out of harms way. Being prepared for a disaster can determine how you act during the real situation. Survival Guide for Women: Get Your Family Ready for Any Disaster not only identifies potential disasters, but is also a step by step how to guide on what to do should you find yourself in disastrous situations with your family. Arm yourself with the knowledge of what to do before, during, and after any situation. With this manual, women will find themselves ready for any situation, regardless of the severity.

Topics discussed include the following:A brief discussion on womens roles during times of disastersWhat is a disasterHow to prepare your home for any disasterHurricanes and major stormsTornadoesEarthquakesCold Weather DisastersFiresRoad AccidentsKey Elements of a Circuit Breaker Getting Your FREE Bonus Download this book, and find BONUS: Your FREE Gift chapter right after the introduction or after the conclusion.
