

# Places Rated Almanac: The Classic Guide for Finding Your Best Places to Live in America

In this unique reference, every one of America's 379 metropolitan areas is rated by factors that are important to anyone considering a move. Divided into nine thoroughly researched main topics, this guide derives its information as much from private sources as government sources, providing a well-rounded description of all that each metro area has to offer: ambience, housing, jobs, crime, transportation, education, health care, recreation, and climate. With a personalized quiz to help determine the most important factors of an area, this ratings sourcebook provides a wealth of information for those looking to move and the armchair traveler alike.
