

Estrategia #000002 (Spanish Edition)

Estrategia N? 000002 renace en invierno de 2012 gracias al deseo y las ganas de todo el equipo que conforma B+I STRATEGY, algunos de nuestros mas fieles colaboradores como Axel, Goran, Jon y Felipe, y a Olatz y Juan, que nos han aportado un soplo de aire fresco con la parte grafica y artistica. El ano pasado editamos esta publicacion por primera vez. Nuestra intencion se limitaba a robar unos minutos del tiempo (escaso) de nuestros directivos. Unas lineas, una articulo, un titulo que provocase su reflexion. Quizas en un aeropuerto aburridos por un nuevo retraso, quizas en un inesperado hueco en la agenda, tal vez al final de una semana plagada de interminables reuniones... ?Donde habre dejado el librito blanco de los de B+I? Un ano despues, seguimos. Mantenemos la esencia, renovamos los mensajes, innovamos con formatos provocadores Queremos esos minutos de reflexion de los responsables de nuestras empresas y gobiernos. Los necesitamos, como parte de una sociedad que quiere y debe transformarse. Y desde B+I seguiremos insistiendo hasta conseguirlos. Alive and kickingUn ano despues, volvemos. Hoy mas que nunca, con un panorama desolador a nuestro alrededor, renovamos el compromiso de poner sobre la mesa algunas ideas, recomendaciones y mensajes. Siempre con optimismo. Nuevos temas relacionados con la Estrategia, notas sobre conocimiento de vanguardia, aprendizajes de la experiencia de decadas de consultoria, reflexiones sinceras y directas...La urgencia por reinventar nuestras organizaciones y paises es maxima, y desde B+I queremos poner nuestro granito de arena en esta tarea de titanes. Its the end of the world as we know itEn las proximas decadas, nuestra supervivencia y futuro pasa necesariamente por la colaboracion. Colaborar para innovar, para vender, para salir... Con el taller vecino o con el competidor

extranjero; con un cliente o un proveedor. Sirva esta publicación como humilde metáfora de construcción compartida de un nuevo proyecto, desarrollado a lo largo de los últimos meses, con la participación de cerca de 20 personas, con palabras llegadas de Australia, México o Dinamarca, integrando mensajes y opiniones diversas. Colaborar para aprender, para crecer, para renacer.
