

Stories for the Sabbats

This book is a collection of short stories based on the Pagan wheel of the year. The eight Sabbats are celebrated through fairytale-style stories which can be read or easily adapted for use in the oral tradition of storytelling around the campfire. Each story captures the energies of that time of year and will allow the reader to absorb and reflect on how the external changes of the seasons also manifests internally in our own lives. The layout is given in an easy-to-use format so that you can dip in and out of it at the relevant time of year. Also given for each Sabbat is a quick reference to some of the correspondences associated with each festival.
