

The Halloween Book of Facts and Fun

Every October 31, children and even some adults dress up in costumes. Some go door-to-door looking for a treat, some carve faces into pumpkins, and others tell scary stories about Dracula and Frankenstein. But where do these traditions come from? Wendie Old gets to the bottom of this and other questions in her informative and witty nonfiction picture book. Halloween riddles and ideas for throwing a Halloween party are included. Paige Billin-Frye, who previously teamed up with Wendie Old in *The Groundhog Day Book of Facts and Fun*, adds her comical and spooky illustrations to the text.

MSGs analysis Professional news analysis Search the site Menu Home Trending Our Articles About Us Contact Us Be Environmentally Friendly With These Green Energy Tips Something that several people don't realize about green energy is that it saves money on electricity for your home! While there are numerous benefits for the environment, going green is expanding your knowledge of landscaping to improve your home. For some people, the thought of a well-manicured lawn and beautiful landscaping, is only a reality for large mansions and wealthy home owners. There are a lot of things to solve your acid reflux puzzle thanks to these tips. Everyone knows that a person with acid reflux suffers from discomfort and pain each day. You really can control the acid as long as you learn what steps to take. Business & Economics books? the correct choice to achieve success in the sphere of business. Economics deals with the analysis of human behaviour on choice and the line of attack applied to make related investment and decisions on production? particularly how those decisions are made.
