

The Ritual - The Greatest Story Never Told

The Ritual- The Greatest Story Never Told is a comprehensive in-depth analysis of the actual rituals conducted in Freemasonry. Appraising Freemasonry, it demonstrates by examination of the passwords, the signs, the perambulations, the attire, the storyline, the tracing boards and the eponymous hero, Hiram, that the rituals are a cover for Jesus Christ and the Sign of the Cross. Startling and surprising as it will be for many Masons and Christian detractors alike, Freemasonry covertly reveres Jesus Christ, is permeated with the Sign of the Cross and is based on the Christian story. For Freemasons only.
