

# In Search of Excellence in Project Management: Successful Practices in High Performance Organizations

This book discusses the changes that world class organizations have made to achieve excellence in project management. Learn how these organizations refocused to accommodate a projects-based approach and how they plan, budget, complete and assess their mission-critical projects. The implementation of project management ideas and methods is leading to more efficient service delivery and production, more accurate budgeting, greater profitability, and improved stakeholder relationships world-wide, In Search of Excellence in Project Management shows how these benefits can be yours as well.
