

International Commercial Arbitration Advocacy: A Practitioners Guide for American Lawyers

Authored by H. Roderic Heard, Susan L. Walker and the late Honorable John W. Cooley, International Commercial Arbitration Advocacy is the first book of its kind to offer practical advice for American trial lawyers on advocacy in international arbitration. Unlike arbitration treatises, which typically are written from the perspective of the arbitrator, International Commercial Arbitration Advocacy explains how experienced trial lawyers can tailor their advocacy skills to be more persuasive and ultimately successful in the international arbitration arena.
